Pets: Unfortunately not allowed in our accommodations. However, welcome on our terrain, if leashed also to the pitch. The present playpond is however, is off-limits to our four-legged friends. Does your visitor also bring a pet? with them? No problem, but the responsibility lies with you.

Groundsheet: We are careful with our green oasis, and therefore only breathable ground cover is allowed.

Toilet: When you go to the toilet, the urgent request is to use only toilet paper and not no other kind of (butt)wipes. This causes the toilets to become and that causes a lot of misery; so please put them in the present trash.
Thank you 1000 times!

Kids: Our Outdoor Estate is a true play paradise for children. They get all the space to discover. It is nice when they are guided in dealing with our animals, playground equipment & the rules in the sanitary facilities. If the animal is closed the animals go to sleep ... and may no longer climb over the fence the fence to cuddle the rabbit or the pig. cuddle. From 21:00 our air trampoline will also be resting, as soon as it is empty please leave the bouncy castle immediately.

Garbage: For all your separated waste you can go to the appropriate containers in front of our reception. Paper in the paper bin, glass in the bottle bank, plastic in a closed bag in the plastic container and residual waste in a closed bag in the waste bin. Unfortunately we cannot process bulky waste free of charge. If you have any, please take it home with you.

Campfire: It's nice to have a campfire on open ground. We rent out Fire bowls including stone / plate to protect our grass. The BBQ is also indispensable; light it up already. Always ensure that the safety Preferably a bucket of water nearby. Please put the leftovers of the BBQ in the fireproof container next to our waste containers.

Safety: Building huts, loose stones, toys or herrings left behind, a pair of tongs left over from the BBQ? Just a few examples, please be careful with coarse material. During the mowing of our terrain, innocent material can therefore turn into dangerous projectiles that are thrown away. Also it is not allowed (because of the age of the trees) to hang/attach hammocks, chairs or swings in our trees.
